

Refund Policy

At Blitzed Marketing, we are committed to delivering exceptional website and marketing services tailored to meet the unique needs of each client. Our team works diligently to ensure every project is executed with the highest standards of quality and professionalism.

Due to the nature of our services, which involve significant time, effort, and customization, we do not offer refunds for any services rendered. Once a project or campaign is initiated, the resources allocated to it cannot be reallocated, and the work completed is non-reversible.

We encourage open communication throughout every project and strive to address any concerns or feedback promptly. If you are not satisfied with any aspect of our work, please reach out to us immediately at info@blitzedmarketing.com or call us directly at 704.737.1962. We will work closely with you to ensure your expectations are met and deliverables align with your objectives.

This policy is designed to protect the integrity of our services while ensuring our clients receive the full value of their investment. Thank you for understanding and for choosing Blitzed Marketing for your website and marketing needs.
